8/ Aldsworth Church

David Wilcox attended the Parish Council meeting to explain that the Church has very limited income and a number of high expenses. The Church yard has had the grass cut on a voluntary basis for many years, but now will be required to be cut by an outside contractor, unless another volunteer can be found.

David Wilcox has asked if the Parish Council can help support the upkeep of the Church Yard. The Chairman responded by saying that the Parish Council will offer what support it can. The Parish Council will review available finances and discuss at the next meeting what level of support it can offer.

8/ Any other business

8.1/ Bus Shelter

Ridge tiles have fallen down behind the bus shelter, there is a leak from the cast iron guttering which is dripping onto the back of the shelter. There are some slate tiles which have fallen from the roof above and other tiles which have become loose, there is a concern that these will present a danger to anyone using the bus shelter and bench next to it. Richard Meadows to follow up with the relevant parties.

8.2/ Christmas Fayre

On 2nd Dec between 11.30am – 2pm the Christmas Fayre will be held at the village hall. Lots of local gifts and products on sale in order to raise funds for the village.

8.3/ Village Hall

The village hall is need of volunteers. The Village Hall is a great asset to the Village and receives many positive comments from those that hire it. If anyone is able to help in any way, even if it is only for an hour or you would like to find out more, please let a member of the Parish Council know.

9/ Correspondence

None

9/ Date of Next Meeting

The next Parish Council meeting will be held 10th December 2018 at 1930 hours in the village hall.
